

BAY BAND BOOSTERS "ROCKET PRIDE"

Bay Band Boosters is a volunteer, nonprofit organization established in 1946 to support and promote Bay Village Public Schools' fine instrumental music education program, including Orchestra and all Band programs.

Over 500 students enroll each year in string, jazz, and band programs from the 4th to 12th grades. As part of the Bay High Marching Band, Boosters also supports the Rockettes.

During the 2009-2010 school year, Bay Band Boosters dispersed over \$35,000 of financial contributions to continue to support this fine instrumental program. Funds were used to purchase a new vibraphone, new music and to maintain and repair the many instruments the schools provide.

The Marching Band uniforms, which are over 20 years old, received extensive repairs in order to extend their lifespan and money was set aside to purchase much needed concert dresses which will be premiered this school year.

In addition, each year Bay Band Boosters provides funds for annual Summer Camp Scholarships and funds for instrumental technicians during the annual Day for Strings program and during Marching Band Camp.
